REGISTRATION FORM PUBLIC COURSES PS_TESTWARE

Terms & Conditions ps_testware courses

A signed registration form, returned to one of the ps_testware offices indicates that you have read and agreed to the terms and conditions set out below:

1. A place on any course is reserved only upon receipt of a signed course registration form accompanied by a purchase order (if applicable) for an amount equal to the quoted course fee.
2. Full payment for all course activities will be done according payment conditions as will be indicated on the invoice.
3. ps_testware reserves the right to cancel or re-schedule courses. In the event of such cancellation all paid fees will be credited towards the next available course.
4. In the event of customer cancellation, 25% of course fee will be invoiced if registration is cancelled within 1 month before the course and 100% of course fee will be invoiced if registration is cancelled within two weeks before the course. Course participants can be replaced at no cost. There is no refund possible for the exam fee in case of (exam) cancellation.
5. Specific course details (introduction, intended audience, results, course outline, time table) can be found on our website (www.pstestware.com – services - training) or in the applicable course flyer;
6. Our courses can also be organized on demand, on site at your premises or online;
7. All public courses include lunch and refreshments;
8. Course material and exams are in English. Courses are given in the applicable local language. However when not all participants speak the same language, then the English language is used;
9. All prices are excluding VAT;
10. The following group discount is applicable: 3rd participant (-5%), 4th participant (-10%), 5th and 6th participant (-15%);
11. In case of the ISTQB courses, if an exam (certification) is chosen to be part of the course, then the exam fee(s) requires to be part of the total quoted course fee. The exam fee for Foundation is €200,00 and for Advanced is €250,00; There is no refund possible for the exam fee in case of (exam) cancellation.
12. Public course dates can be found on our website www.pstestware.com – services – training;

Special Offer

Share ISTQB with a Buddy !

Currently our company has a special offer for people who have previously participated in one of our ps_testware courses. As such, we would like to offer you the opportunity to share your ps_testware experiences with your friends!

For this purpose we have developed an incentive program called "Share ISTQB with a buddy", where you can now also profit from our successes.

Through this program we would be pleased to reward you personally with a **FNAC coupon to the value of €75⁽¹⁾** for participants⁽²⁾ you subscribe.

Subscription forms can be found [on our website](#) next to our training dates. When submitting the form to us, make sure you mention your own full name and your e-mail address in the appropriate areas on the bottom of the page to receive this coupon.

This promotion is only valid for the following courses:

- **[ISTQB Advanced Level Test Manager \(English\)](#):**

The first of our Advanced Level modules aims at perfecting your Test Management skills. A 5-day course, starting on September 17th 2013 in Leuven.

- **[ISTQB Foundation \(English\)](#):**

The basic course, ideally fit to lay the foundations for your testing career. A 3-day training, starting on September 25th 2013 in Leuven.

- **[ISTQB Advanced Level Test Analyst \(English\)](#):**

This new Advanced Level training will help experienced testers to refine their existing test techniques. A 4-day course, starting on October 7th 2013 in Leuven.

Click [here](#) to find more information on all these trainings and registration.

Because ps_testware is an accredited service provider for the SME portfolio (KMO-portefeuille) you can be eligible for KMO subsidy on all our training and courses we offer. Click [here](#) for more information about the SME subsidy.

With kind regards,
your Belgian ps_testware team

⁽¹⁾ You can get a maximum of 1 coupon per person and/or per training session. This offer is also ONLY valid for the training sessions of 2013 as currently listed above. (Coupon is redeemable at any FNAC in Belgium store for those important IT purchases, i.e books, CDs, electronics, to keep up to date with current trends to test your software). This offer cannot be combined with other special offers.

⁽²⁾ Coupons are only awarded for participants who have paid in full for a complete training session with exam at our regular rates as published on our website (to view our website, click [HERE](#)). This offer cannot be combined with other special offers.
